2. Rack and Flight type installations - Prices will be calculated using the fixed rate hourly tariff for the duration of the job. Parts/ancillaries will be charged separately. If engineers are required to stay overnight costs will be recovered at a fixed rate of £125 per night per engineer.
3. Out of hours at weekends or Bank Holidays – POA.
4. Where an installation is extended due to factors beyond the control of Hobart Service such as failure to provide correct electrical connections, water supply, access restrictions etc. the hourly tariff will be charged to conduct work or wait for services to be provided..
5. Installations aborted within 24 hours of the planned job will be charged at 25% of the total price.
6. The least expensive option will always be offered (weekdays 0900 - 1700).
7. Installation pricing will be discounted 10% when purchased with a Hobart Service Plus, Extra or Max maintenance package
